Member of City Council,
Salisbury, Md.

Gentlemen:

I herewith submit the following list of names as my appointments of officials and officers of our City Government, and ask your confirmation of same:

City
City Treasurer, and Clerk to the Council -- J. R. Laws
City Solicitor-- A. Everett Williams
Engineer ~~and Street Commissioner~~ -- F. H. Dryden
Judge of Peoples Court-- S. King White
Building Inspector-- W. F. Bounds
Harbor Master-- Charles E. Harper
Health Officer- Dr. S. H. Hurdle
Traffic Commission-- P. A. Burroughs, Herman Purnell, U. F. White.
Fire Department- Chief-- Wm. J. Downing, Jr.
Fire Department, Custodians-- Norman U. Perdue and Charles Livingston
Police Department- Chief-- N. H. Holland
" " Assistant Chief-- Geo H. Williams
" " Patrolmen- Wm. White, Carl Wilson, Fred Rau.

You will note that I have not appointed the full number of police required for the proper functioning of our Police Department, as I desire that thorough mental and physical examination be made of the applicants before permanent appointments are made. This, I hope to have completed within thirty (30) days.

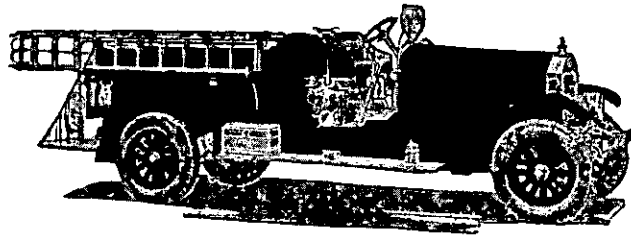

In this day of growing demands for economy in business and Governmental expenditures, I feel it my duty to recommend that you survey each item of expense of our City Government with a view toward making reductions or re-adjustments consistent with good business principles.

Every citizen of Salisbury should be proud of the accomplishments of our City during the past ten (10) years, and I am confident that if we strive for further improvements along sane and conservative lines, the progressive spirit, which is the motivating force of our City, will continue, and a still greater future will be in store for Salisbury.

E. T. Lucas, President

J. R. Laws, Clerk

Salisbury, Md., April 28th. 1932.

Mr. J. R. Laws, Clerk,
Salisbury, Md.

My dear Sir :-

Your letter of the 26th. inst. is before me and noted.

I note that the Mayor & Council will construct a sewer on Ohio Ave. that will permit the connection from the basement of my bungalow located between Smith St. and Waverly Ave.

For your information I will advise that the sewer already constructed on Ohio Ave. will permit the connection from the basement of my bungalow; in fact, eight of the nine residences located on the south side of Ohio Ave. and east of Smith St. have connections from stationary wash tubs in their basements to the present sewer on Ohio Ave.

Yours very respectfully,

Edith L. Williams.

Salisbury, Maryland,

June 28th., 1932.

Mayor & Council of Salisbury,

Salisbury, Maryland.

Gentlemen:-

On April 16th. I filed an application for sewer connection with my property on Ohio Avenue. There has been so much delay in making this connection, I have been obliged to make other arrangements. Therefore, I wish to withdraw my application for the sewer connection and request that no sewer connection be made with said property.

Very truly yours,

Edith L. Williams

CITY HALL, SALISBURY, MARYLAND, JULY 15th, 1932.

There was a special meeting of the City Council at 3:00 P.M. Friday afternoon, July 15th, 1932, of the Mayor and Council with the following present: - Mayor Insley, Councilmen E. T. Lucas, F. A. Grier and John L. Morris.

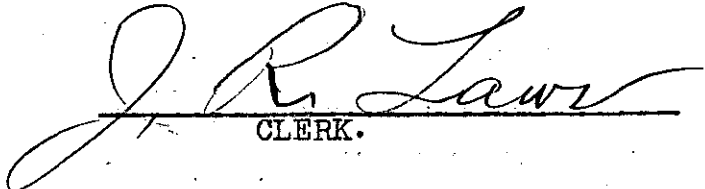

Bids were submitted on behalf of four contractors, submitting prices for painting the interior and exterior of the City Hall. The Bids were as follows:

	<u>Interior</u>	<u>Exterior</u>
Mr. Ingersoll	\$315.00	\$166.00
Mr. Jones	450.00	100.00
Mr. Wilson.	245.50	125.00
Mr. Catlin	410.00	110.00

The said bids were considered by the Mayor and Council, and contract was awarded to paint the exterior and interior of the City Hall unto W. S. Wilson, Sr. for a total sum of \$370.50, work to be started at once and completed by August 15, 1932, in accordance with written proposal and specifications signed by Mr. Wilson.

There being no further business the Mayor and Council adjourned at 3:15 P.M.

PRESIDENT.

CLERK.

CITY HALL, SALISBURY, MD., JULY 18, 1932.

CITY OF SALISBURY
MARYLAND
CITY HALL

FRANCIS H. DRYDEN
City Engineer

August 2., 1932

Mayor and Council
Salisbury
Maryland

Gentlemen:

I am enclosing, herewith, a complete report of the operations of the Water and Sewer Department of the City of Salisbury for the six (6) months ending June 30, 1932.

Yours truly,

F. H. Dryden
City Engineer.

FHD:GH

Salisbury, Md.
July 21, 1932

REPORT OF OPERATIONS OF THE
WATER AND SEWER DEPARTMENT FOR THE SIX MONTHS
ENDING JUNE 30, 1932.

WATER DEPARTMENT

PUMPAGE:

A schedule of the water pumpage during the past six months ending June 30, 1932, as measured by the plant Venturi meters is as follows:

January	1932	19,456,000
February	"	18,480,000
March	"	20,502,000
April	"	21,439,000
May	"	25,118,000
June	"	29,687,000
Total.		134,682,000

Note: The quantity of water pumped during the above period represents a decrease of 0.86% over the corresponding six months of 1931.

Maximum pumpage occurred on Saturday, June 4, with 1,522,000 gallons; minimum on Sunday, February 28, with 469,000 gallons. These figures represent domestic and industrial consumption only.

The above figures are the quantity of water delivered to the distribution system of the City of Salisbury, all of which was aerated and treated with hydrated lime before being pumped into the system.

The water was pumped against an average head of 140 feet, 30 feet representing the lift from the wells to the aerator and 110 feet the lift of the high service pumps.

WATER CUSTOMERS:

78 new water service connections to mains during the period of this report.

	<u>Flat Rate Accounts</u>	<u>Meter Accounts</u>	<u>Total</u>
July 1, 1926			818
July 1, 1932	2196	179	2375

FIRE HYDRANTS:

GAGING STATION:

During the month of October 1929, the Water Department, in conjunction with the U. S. Geological Survey, installed a stream flow measuring station at Schumakers' Dam, 2 miles south-east of Salisbury. The records from this station for the period of this report have been used in the preparations of a graph chart which is attached, showing the following information:

Daily stream flow at Schumakers' Dam.
Daily water consumption--water works.
Daily maximum and minimum temperatures.
Daily precipitation.

The stream flow records have been taken from the measuring station at Schumakers' Pond, the water consumption at Salisbury from the venturi meters at the Pumping Plant, the temperature and precipitation records obtained from the U. S. Weather Bureau Station at Salisbury.

SEWER DEPARTMENT

SEWER CONNECTIONS:

During the period of this report 90 properties were connected to the City Sewer, making a total of 1136 properties connected or 5112 persons (based on 4½ persons per connection) since July 1, 1926.

14 service connections were extended from the sewer to property line by the Operating Department from January 1, 1932 to June 30, 1932.
